†**IT'S UP TO YOU**†

If the church grows it is because your attendance is regular and you invite and bring friends regularly.
If it is an active church, it is because you are committed to her ministries and give your time and influence.
If it is a friendly church, it is because you are friendly. You take the initiative to meet and greet new and old alike each week.
If it is a giving church, it is because you give: not just of your tithes and offerings but of your God-given abilities and time.
Let's work at making our church that kind of church.
It takes all of us working together, with our leaders and with each other.
Our concern for others must be evident,
and our burden for a lost world must have top priority.
